\$838,900

Airframe and Powerplant

- Continental IO-550-N 310 HP Engine
- 3-Blade Aluminum Propeller
- Push Button Start
- Automatic Fuel Selection System
- Single Movement Power Lever
- Dual Side Yoke with Stick Shaker
- Cirrus Airframe Parachute System® (CAPS®)
- Airbag Seatbelts (Front Seats)
- Dual Alternators
- Intelligent Lightweight Battery
- 406 MHz ELT
- High Performance Beringer Brakes
- Michelin Pilot Tires
- Low Drag Advanced Wheel Fairings
- Spectra™ Wingtip Lighting
- Spectra™ Illuminated Steps
- Interior/Exterior Convenience Lighting
- Surface Illumination Lights
- Remote Keyless Entry & Keyless Baggage Door
- UV Protected Windows
- Standard G7 Interior
- 60/40 Flex Seating™ Seats up to 5
- All-Weather Floor Mats
- USB-C Charging Ports (60W & 15W)
- 3-Year/1000 Flight Hour Spinner-to-Tail Warranty

Avionics

- Cirrus Perspective Touch+™ by Garmin® Flight Deck
- Synthetic Vision Technology (SVT™)
- 12" High-Resolution Widescreen Displays
- All-Digital Bluetooth® Audio Controller
- Dual Garmin Touchscreen Controllers
- Dual Comm/Nav/WAAS GPS Radios
- Aircraft Systems Synoptic Pages
- CAS-Linked Checklists & Checklist Scroll Wheel
- Flap Airspeed Protection
- ADS-B Out Transponder
- Garmin Flight Stream 510¹
- GFC 700 Autopilot including Electronic Stability and Protection (ESP) Dual ADAHRS Hypoxia Check/Automated Descent Mode Blue Level Button Autopilot Stall Protection
- 3D SafeTaxi®^{2,4}
- Jeppesen ChartView²
- Cirrus IQ™^{1,3}

Training

- 3-Day Transition Training Package

STANDARD FEATURES

2025 SR SERIES G7 / SR22

PACKAGES

2025 SR SERIES G7 / SR22

GTS \$1,073,900 / Weight: 1067 kg

Combine all the packages for even greater value: **Cirrus Executive, Cirrus Awareness, Cirrus Advantage, Certified Flight into Known Ice, Premium Appearance and authentic GTS badging.** GTS is the luxury, technology and performance standard by which all other aircraft are measured.

GTS without Ice Protection \$1,018,900 / Weight: 1064 lbs / Includes Air Conditioning

Cirrus Executive \$34,900 / Weight Δ: 2.7 kg

Yaw Damper provides cruising comfort for pilot and passengers, reduces pilot workload and enables true three-axis autopilot functionality. The **Enhanced Vision System (EVS)** leverages infrared imaging technology to display what the human eye cannot see. Gain peace of mind in night and low-visibility conditions knowing cloud tops, build-ups, surrounding terrain, runway obstacles, taxiways and surface markings are clearly visible on the MFD.

Cirrus Awareness \$33,900 / Weight Δ: 6.8 kg

Active Traffic enhances the standard ADS-B In Traffic with active interrogation of nearby transponder-equipped aircraft to create a 360° zone of detection around the aircraft. It also provides visual and ATC-like audio alerts of potential traffic hazards. **eTAWS¹** TAWS-B terrain-warning system calculates predictive terrain avoidance guidance based on your flight path, visually and aurally alerting the pilot if terrain threats loom ahead.

Cirrus Advantage \$44,900 / Weight Δ: 1.4 kg

Upgrade to **14" screens** for tremendous situational awareness and 36% more screen real estate over the standard 12" screens. **Taxiway Routing** promotes confident and safe taxiing, even at the most complex airports. Enter taxi clearances with ease on the touchscreen controllers, and follow clearly displayed progressive instructions on moving maps and in a 3D environment. **SurfaceWatch^{TM1}** monitors your aircraft's position in the terminal environment and helps avoid inadvertent takeoffs or landings on the wrong runway. It also provides aural and visual alerts if a takeoff or landing on a short runway or taxiway is detected, and it enhances situational awareness by showing remaining runway distance.

Certified Flight Into Known Ice \$94,900 / Weight Δ: 28.6 kg

This TKS-based system was uniquely engineered to include innovative features such as **dual windshield sprayers** that ensure landing visibility, **dual TKS fluid tanks with automatic tank switching** and **three TKS flow rate options** to cover every condition. Integration with the Cirrus Perspective Touch+ flight deck provides continuous access to **TKS fluid quantity, duration, range information** and other system operating parameters. This package includes a **Tanis Avionics & Engine Pre-Heater** to maximize engine life and ensure your aircraft is ready for cold-weather flying.

Premium Appearance \$39,900

The reimagined Premium design suites ensure that you will arrive in comfort and style, no matter where your Cirrus takes you. Premium leather and bolstered seats maximize cruising comfort, and striking exterior designs reflect your personality on the ramp. Discover all the possibilities at configurator.cirrusaircraft.com.

Carbon Exterior Inspired by the sharp lines seen on high-end sports cars, the Carbon Appearance commands attention on the ground and in the air.

Platinum Exterior The Platinum Appearance design exudes quiet confidence. Fluid lines complement a painted spinner for a truly stylish aesthetic.

Interior The Premium interior is uncompromising in design, function and comfort. It features luxurious leather, bolstered seats and satin silver vents & lights. Select from five leather colors and two cabin interiors. The seats can be appointed with black Alcantara inserts for sporty sophistication or an all-leather design for timeless beauty.

¹Subscription required.

ADDITIONAL OPTIONS

2025 SR SERIES G7 / SR22

Air Conditioning \$39,900 / Weight Δ: 24.9 kg

Stay cool with this factory-installed Air Conditioning system.

Cirrus Global Connect \$16,900¹ / Weight Δ: 2.7 kg

Worldwide weather, satellite phone and text messaging through Iridium Communications are fully integrated so you are always within reach.

Built-In Oxygen System \$13,900 / Weight Δ: 8.2 kg

Give yourself the flexibility to fly to wherever you need to be. The SR22 service ceiling allows you to fly to 17,500 ft. Take advantage of the higher altitudes to get over weather, terrain or increase your ground speed. The 77 ft 3 in. capacity factory installed system will provide plenty of oxygen for all occupants for normal flight durations.

3-Blade Lightweight Composite Propeller \$15,900 / Weight Δ: -5.4 kg.

Significantly increase your SR22's useful load and add ramp presence with the 3-blade composite propeller.

DME \$12,900 / Weight Δ: 1.8 kg

ADF \$8,900 / Weight Δ: 4.1 kg

Tanis Avionics and Engine Pre-Heater \$2,900 / Weight Δ: 1.8 kg

Ensure your aircraft is ready for cold-weather flying, and maximize your engine life.

WARRANTY

4TH & 5TH Year Spinner-to-Tail Warranty \$23,900

Add two more years for an industry-leading 5 year/2,000 Flight Hour Spinner-to-Tail warranty. It is the most complete coverage for the world's most desired aircraft.

ADDITIONAL TRAINING/DELIVERY

3-Day Transition Training Package \$4,750²

5-Day Cirrus Standardized Instructor Package \$7,500²

Delivery Package Price by Region
